Brush, Jason [3:45 PM]:

k
BTW,
5 interviews scheduled
10 voicemails left.

Woo, Nancy [3:45 PM]:

YAY!!!
Did you get your top 7 scheduled?

Brush, Jason [3:46 PM]:

We will also interview Ivy Chan, who Corine is interested in.
But I'm not.
She's on Corine's list but blocked.
She's on my list but not up my alley.

Woo, Nancy [3:46 PM]:

can we do something sneaky?

Brush, Jason [3:47 PM]:

my cert allows multiple selections.

Woo, Nancy [3:47 PM]:

interesting...

Brush, Jason [3:47 PM]:

so its not like I need to reject everyone in order for her to reach Ms. Chan.
At least that's my understanding.

Woo, Nancy [3:47 PM]:

even more interesting...

Brush, Jason [3:47 PM]:

We would potentially select two "for Wetlands" and then cut a 52.

Woo, Nancy [3:48 PM]:

this is a good development.

Brush, Jason [3:48 PM]:

I know just enough to be dangerous. Don't trust me when I put on my HR hat. It doesn't fit.

Woo, Nancy [3:49 PM]:

We can run all things by Kristin, Jane HR and Hat check. I'm not worry as we have all these checkers..

Brush, Jason [3:50 PM]:

when you have a moment, you should also check out my WOTSU summary for Jared I just sent you and Jane, too.

Woo, Nancy [4:00 PM]:

ok. just met Janet H's daughter. talk about exact but younger version of JH.. OMG! Hey you may be it with jared on Thursday as Jane and I are at Cargill area visit with Melissa.

Brush, Jason [4:24 PM]:

Brian and I just finished looking over Jane's changes and questions. can you come down?

Woo, Nancy [4:24 PM]:
